As 2017 comes to a close, I am looking forward to a very busy holiday season, both with family and with the final club events of the year.

We just had the National Dog show in Oaks with 14 Newfs entered. We would like to congratulate John O’Neill, Erin Murphy, and GCHB GOLD CUP’S FIRST IN FLIGHT (Boeing) on winning Best of
I want to again thank John Affel and his crew for doing a great job with lunch on Saturday.

The annual meeting and Fall Fun Fest, both held on October 15, were well-attended, and lunch was great. I would like to thank Kat Lynn and her crew for making this event one that all will want to come back to next year.

We have just had two very successful Christmas tree pulls again this year: one in New Jersey and one in Pennsylvania. These events are a lot of fun, and anyone who would like to see what is involved with draft work would gain from attending.

In 2018, we will be having both a Draft and Water test pending approval by the NCA. More information will be coming for anyone who would like to help with these events. These are both good chances for anyone thinking of getting into Draft or Water work to see how they take place and the work necessary to be ready to test. This is your club, and the more people that help, the better the event.

In closing, I would like to thank all who have helped out this year with all of the club’s events. Many hands make the work load light. Andi and I want to wish all a Merry Christmas and a very Newf Year for 2018.

Cayenne has been a girl on fire. She stepped into the ring for the first time on Saturday, September 23, and never looked back. She was shown 5 of 6 weekend between 9/23/17 and 10/29/17. During that time as class bitch, she took Winner's Bitch 9 out the 11 times, including BOS 4 times (2x over a specials), Best Winner's once and Reserve Winner's Bitch once. She finished her Championship in 4 weekends out and (2) 4 point majors. We then moved her up as Best Of Breed entry. She took Select Bitch 2 times. On her last few days in the ring, we attended the Colonial Newfoundland Club Regional Specialty & supported entry. There, she took Select Bitch at the Supported entry. At the 2 days of regionals, while she did not take home any ribbons, she made the cut in a very competitive Best of Breed competition.
Looking Back at the New Jersey Tree Pull...

November 25, 2017
Plow Farms Tree Pull
December 9, 2017

It was a picture-perfect day with the snow falling for our second annual Pennsylvania Christmas Tree Pull at beautiful Plow Farms in Plowville, PA.

As the first Newfoundlands and their owners arrived early Saturday morning we were greeted by the Plow Farms staff as they prepared to welcome the first customers of the day, who by the way, came out bright and early just to meet our Newfs!

We had an enthusiastic group of Newf Ambassadors and working Newfs ready to meet and greet all the folks who came out to Plow Farms in search of that perfect holiday tree. Our working Newfs worked hard pulling in about 40 trees for families over the course of the day. Philo, Buford, Atlas, Titan, and Glory were among the working dogs who pulled trees in and the families were thrilled to have their help!

Thank you to the many Newf Ambassadors and Working Dogs who came out on a snowy Saturday including: Amy and Dave Supko with Philo and Buford, Karin Bystol with Atlas and puppy Obi, Megan and Wes Morgan with Titan and Mackenzie, Rob and Fran Miller with Misiu, Dawn and Tom Hockman with Chase and Betsy, Joan and Doug Fenwick with Bess, Sarah Ivy with Gunther, Kathy Weber with Tucker, Glenn Lesher with Glory not to mention other Newf and human friends who stopped in during the day to say hello and share the day.

A big thank you to all the people who came out to the farm and spent time talking with us and sharing our dogs.

A very special thanks to the Eshelman family, their employees and of course to resident Newfoundland Lillie Bell who all made our visit to the farm wonderful. Newfie cheer was abundant!
Folks were very interested in our Newfoundland dogs and wanted to learn more about the breed. We collected $432 in contributions for Newf Rescue. Thank you!

We met many new friends – human and canine alike, who shared that they make the annual trip to Plow Farms for their Christmas tree, and some shared that they come just to see our Newfs!

Newf Rescue

Newfies are no strangers to Plow Farms, as the Eshelman’s own Lillie Bell is the resident Newf at the farm working with mom Brenda every day. Lillie Bell roams the grounds freely and greets all who visit. She is quite famous at the farm and people come from far and wide to see her.

A big thank you to the Eshelman’s for inviting us out to their beautiful farm once again this year and for taking care of us all day. Special thanks to Dave and Amy Supko who brought out Dave’s beautiful handmade tree carts. They are perfect for carting that special Christmas tree.

We look forward to seeing everyone again next year!

Respectfully submitted by,

Kathy Weber

D. Working Dog Secretary’s Report – Amy Supko

NPD had a great 40th anniversary water test this year. We received a lot of positive feedback from the committee, judges and entrants. We are now in the planning stage for next year’s test and would like to submit the application (to confirm the dates) ASAP. The dates are September 14, 15 and 16. There was discussion at the test about offering 2 days for the WRDX tests and it was suggested NPD offer 2 days for all water test levels. The proposed schedule would be WRDX Friday afternoon and Sunday morning and WD and WRD Saturday and Sunday.

The judges from the west coast were well received and everyone enjoyed getting to know them while discussing all aspect of water training. The test was also financially sound as the expenses/income were closely monitored.
The committee has closely reviewed the approved NCA list of water test judges. Only mentor judges or those judges who earned a WRDX can judge a WRDX test. Since the tests will involve 2 days, it is recommended that we invite 2 mentor judges for all 3 days rather than invite 3 judges and incur unnecessary expenses. I have been in touch with Sue Lonergan, the chair, and Amy Supko, incoming WDS. We propose the following mentor judges for board approval. Contact will be made as soon as board approval is given to check on availability. I am happy to judge and will not have any travel expenses, thus we would be looking for another mentor judge.
