Permission to hold these water tests has been granted by the Working Dog Committee of the Newfoundland Club of America.

The NCA Water Test

The NCA Water Tests are a series of exercises designed to develop and demonstrate the abilities of the purebred Newfoundland Dogs in an aquatic environment. The Newfoundland has historically functioned as a working companion to its owner, and members of the breed have participated in many heroic rescues. Performance of these exercises is intended as a demonstration of skills developed through both natural ability and training rather than a competition between dogs or handlers. The emphasis in the Water Tests is on teamwork between dog and handler in realistic work and rescue situations. Efficiency in accomplishment of tasks is essential; however, it is also desirable that the dog evidence willingness and enjoyment of his work in a combination of controlled teamwork with his handler and natural independence.

WRDX Fitness Certification – Not Required

Though a fitness certification is no longer required, it is a handler's responsibility to prepare and condition his or her dog physically for the extreme distance and time required to complete these exercises. It is the judges' responsibility to terminate any exercise at any time a dog is deemed to be in distress or appears to be having trouble in completing any of the exercises. The exercise will be stopped immediately, and the dog will be excused from further testing.

Bitches in Season

Bitches in season will not be allowed on the test site until just prior to being judged, which will be after ALL Newfoundland judging has been completed. As a courtesy, please inform the Test Secretary prior to September 13, if your bitch will be in season. Bitches that have had an ovarian sparing spay are required to be tested as "Bitches in Season."

General Information

Testing of other breeds will follow the NCA Test on both Friday and Saturday. These are not NCA Events.

Friday will be WDRX only; total entries will be limited to 8 WDRX, a minimum of 3 entrants are required on Friday. Saturday, total entries will be limited to 25 for WD and WRD only. Sunday, total entries will be limited to 20 with 5 reserved for WRDX (Newfs only). If there are fewer than five WRDX entries the open slots designated for WRDX dogs will be filled with untitled entries from the other divisions. An alternate list will be kept.

Entries will be accepted by mail only and must be postmarked July 25th (NCA members) or August 4th (Non-NCA member) respectively or later. Any entries received with a postmark prior to July 25th or Aug 4th will be returned. The available entry slots will be filled according to the postmark date. If the number of entries with the same date exceeds the number of available slots, a drawing will take place to fill the vacancies and determine the alternates. The method for determining alternates and entry refund procedure is specified in Chapter I, Section 12 of the Water Test Rules.

Parking - The park is requiring that car passes be issued and displayed in the window of vehicles parked along the tree line above the test site. Passes will be issued to entrants, committee and stewards. These passes will be issued by the Secretary on test days. Spectators without dogs will be required to park in the lots. Please be sure to get your pass immediately upon arrival to the site.

Post entries: Dogs that successfully complete the requirements for Water Dog at the test may be post entered into the Senior Division and will be tested at the conclusion of Senior Division judging. Dogs will test in the Senior Division until they fail an exercise. Post enter at the Secretary's table at the conclusion of the Junior Division. Post entry fee is \$20.00.

A new standard NCA entry form is attached. Please use a separate entry form for each test day that you are entering. In accordance with NCA's updated regulations, please indicate NCA membership of all co-owners or the handler on the entry form.

No unentered dogs will be allowed near the test site during the test.

Bitches in season will not be allowed on the test site until just prior to being judged which will be after the other Newfoundlands have been judged. A separate beach area will be available for bitches in season.

Each exhibitor is responsible for knowledge of the latest NCA Water Test Rules and Regulations governing a Water Test.

Exhibitors and attendees are responsible for reading and adhering to the Pennsylvania State Recreation Area Rules and Regulations included in this premium list.

Please clean up after your dog so we may return to this test site.

Changes in “Basic Control” Requirements since 2015: **All** entrants in the **WD** division (including those having an AKC CD title) are required to perform individual basic control exercises prior to being tested. Please review these requirements in the Water Test Regulations at www.ncanewfs.org

NCA Policy on Dog Aggression *Please police dogs carefully

“Any dog that in the opinion of the Event Committee, attacks a person or a dog at an NCA working event, resulting in an injury, and is believed by that Event Committee to present a hazard to persons or other dogs, shall be disqualified. When the Event Committee pursuant to this section disqualifies the dog, a report shall be filed with The NCA Board. The disqualified dog may not again compete at any NCA working event, nor be on the grounds of an NCA working event unless and until, following application for reinstatement by the owner to the NCA Board, the owner receives official notification in writing from the NCA Board that the dog’s eligibility has been reinstated.”

Please Note NEW This Year

Waiver of Rights -- Animals in Distress

The Newfoundland Club of America, Inc, and the regional club hosting this event reserves the right to remove any animal in distress from a parked vehicle or crate, and all persons attending this dog event hereby waives any claim for damages against the Club for such removal. The NCA regards the health, safety and life of any dog on the event grounds to be paramount to other property or privacy rights. If the owner cannot be found in a timely manner, we will take whatever action is necessary for the safety of the dog, which may include breaking windows to enter a vehicle. Dogs found in an unsafe environment, distress, or in harm’s way (for example, left in a vehicle without proper ventilation) will be removed to safety. Exposing a dog to an unsafe environment, distress, or harm’s way is considered mistreatment and subject to appropriate discipline.

NCA WORKING EVENT AGREEMENT

I (we) acknowledge that the NCA test regulations have been made available to me (us) and that I am (we are) familiar with their contents. I (we) agree that the club holding this event has the right to refuse this entry for cause which the club shall deem to be sufficient. I (we) agree that I (we) will uphold the AKC Code of Sportsmanship, the NCA Code of Ethics, and (if applicable) the NCA Judges Code of Ethics. In consideration of the acceptance of this entry and of the holding of this event and of the opportunity to have the dog judged and to win ribbons or trophies, I (we) agree to hold this club, its members, directors, governors, officers, agents, superintendents, or test secretary and the owner or lessor of the premises or grounds and the employees of the aforementioned parties, harmless from any claim for loss or injury which may be alleged to have been caused directly or indirectly to any person or thing by the act of this dog while in or upon the test premises or grounds or near any entrance thereto, and I (we) personally assume all responsibility and liability for such claim; and I (we) further agree to hold the aforementioned parties harmless from any claim or loss of the dog by disappearance, theft, damage or injury, be caused or alleged to be caused by the negligence of the club or any of the parties aforementioned, or by the negligence of any other person or any other causes. I (we) agree that any violation of the AKC Code of Sportsmanship, the NCA Code of Ethics and/or the Judges Code of Ethics will be handled pursuant to the Grievance policies listed on the NCA website. I (we) hereby assume the sole responsibility for and agree to indemnify and save the aforementioned parties harmless from any and all loss and expense (including legal fees) by reason of the liability imposed by law upon any of the aforementioned parties for damage because of bodily injuries, including death at any time, resulting therefrom, sustained by any person or persons, including myself (ourselves) or on account of damage to property, or my vehicle arising out of or in consequence of my (our) participation in this test, howsoever such injuries, death or damage to property may be caused, and whether or not the same may have been caused or may be alleged to have been caused by negligence of the aforementioned parties or any of their employees or agents, or other persons.

I agree to grant to this club, and its authorized representatives permission to record on photography film and/or video, pictures of my participation. I further agree that any or all of the material photographed may be used, in any form, as part of any future publications, brochure, or other printed materials used to promote NCA or the regional club, and further that such use shall be without payment of fees, royalties, special credit or other compensation.

The Newfoundland Club of America, this regional club, its members, directors, governors, officers, agents, superintendents, test committee, reserves the right to remove any animal in distress from a parked car or crate, and all persons attending this dog event hereby waive any claim for damages against the club for such removal. I understand that exposing a dog to an unsafe environment, distress, or harm's way is considered mistreatment and subject to appropriate discipline.
